

Dr. Winnie Tang , JP attended 10th Anniversary Celebrations Commencement Ceremony & Open Day of ASTRI

Dr Winnie Tang, JP, in her capacity of President of Internet Professional Association (iProA), was invited to attend the 10th Anniversary Celebrations - Commencement Ceremony & Open Day of ASTRI on April 23, 2010.

Officiated by the Honourable John Tsang Chun-wah, JP, Hong Kong Applied Science and Technology Research Institute (ASTRI) kick started their year-long celebration of their 10th Anniversary at the Commencement Ceremony immediately followed by an Open Day. Guests toured the exhibition showcasing ASTRI's latest technologies and a career talk was also held for PhD's, Master's and Bachelor's degree holders. Dr. Tang was grateful to have met many of her good friends from academia and wished ASTRI all the best in the years to come.

ASTRI is a non-profit organisation and it has been designated the Hong Kong Research and Development Centre for Information and Communications Technologies by the Innovative and Technology Commission of the HKSAR Government with special goals to perform leading-edge R&D for technology transfer to industry, develop much needed technical human resources and act as a focal point bringing together industry and university R&D assets. Through close collaboration with the Government, industry and universities on the latest development of technologies and market trends, ASTRI has succeeded in building a portfolio of innovative projects with fruitful results.
