

Hong Kong ICT Awards 2009: **Best Innovation & Research Award Presentation Ceremony**

The HKICT Awards 2009: Best Innovation & Research Award Presentation Ceremony was successfully held on 19 January 2010 at the Hong Kong Convention Exhibition Centre. Our President Dr. Winnie Tang delivered the welcome remarks at the Ceremony and extended her sincere congratulations to all the winners. Guests of Honor for the Ceremony included Mr. Michael M Y Suen, Secretary for Education, Education Bureau who gave very positive comments about this Award.

“I’m delighted to see that the Award had provided a valuable platform for young people to demonstrate their creativity in applying IT knowledge and skills on medical hygiene and environmental protection aspects. The Award has also helped promote the excellence and development of local creative industries which is vital to the Hong Kong economy.” Dr. Tang remarked. The Project Chairman Mr. Alex Hung also extended his heartfelt appreciation for the enthusiastic participation from the inspired talents and all the support from OGCIO, sponsors, co-organizers, working partners, judges and assessors contributing to the success of this event.

The Best Innovation & Research Award is one of the night categories of the HKICT Awards organized by the HKSAR Government. iProA take this opportunity to extend our most sincere congratulations to winners in all categories for their brilliant achievements and outstanding works.
