

Dr. Winnie Tang, JP, CEO of ESRI China (HK), as well as President of Internet Professional Association, has recently been appointed as Advisor in the Advisory Committee of Evergreen, for the period from December 11, 2009 to December 10, 2010.

Serving the Hong Kong Society for the Aged (SAGE) as Advisor in this Advisory Committee, Dr. Tang is pleased to work closely with other advisors to render her support and professional advice on the direction and strategy on the development, implementation, promotion and evaluation of the Evergreen project. The Advisory Committee also assists in identifying opportunities for business partnerships or collaborations, and identifying resources to support and facilitate the operation of the project.

SAGE is a non-profit organization with the aims to promote public awareness of and respect for senior citizens through community education, to provide senior citizens with the diversified and integrated services and to offer advice to the Government to enhance the senior citizens' quality of life.
